

## Appendix B: LSTA Grants by Institution

Data from this table was used to determine how many different types of institutions received awards were awarded to libraries throughout the state to support local projects and meet individual training needs.

The column labeled Competitive Grants reflects the total amount of all Connectivity, Digital Images, or Early Learning grants awarded to the institution.

The column labeled Continuing Education Grants indicates the total amount of all individual training awards made to all staff members in the institution.

The column labeled SDL Subsidy indicates the funds that were expended on behalf of the institution for participating in statewide database licensing. In almost all cases, the amount of expended LSTA funds is equal to the amount of funds contributed by the institution itself to cover the total cost of the license. The smallest libraries in the state were not asked to make a contribution since the cost of their participation in the plan was negligible.
